

P*NT

What to do, and beyond...

Let's create change. And put change to improve work at our company.

A better future lies beyond the accumulation of changes.

Therefore...let's meet at this place.

A place of unexpected perspectives and ideas...and a range of experiences and knowledge can all be found here.

Let's think and try together.

What we can do now, can be done better.

OUR BOOKS

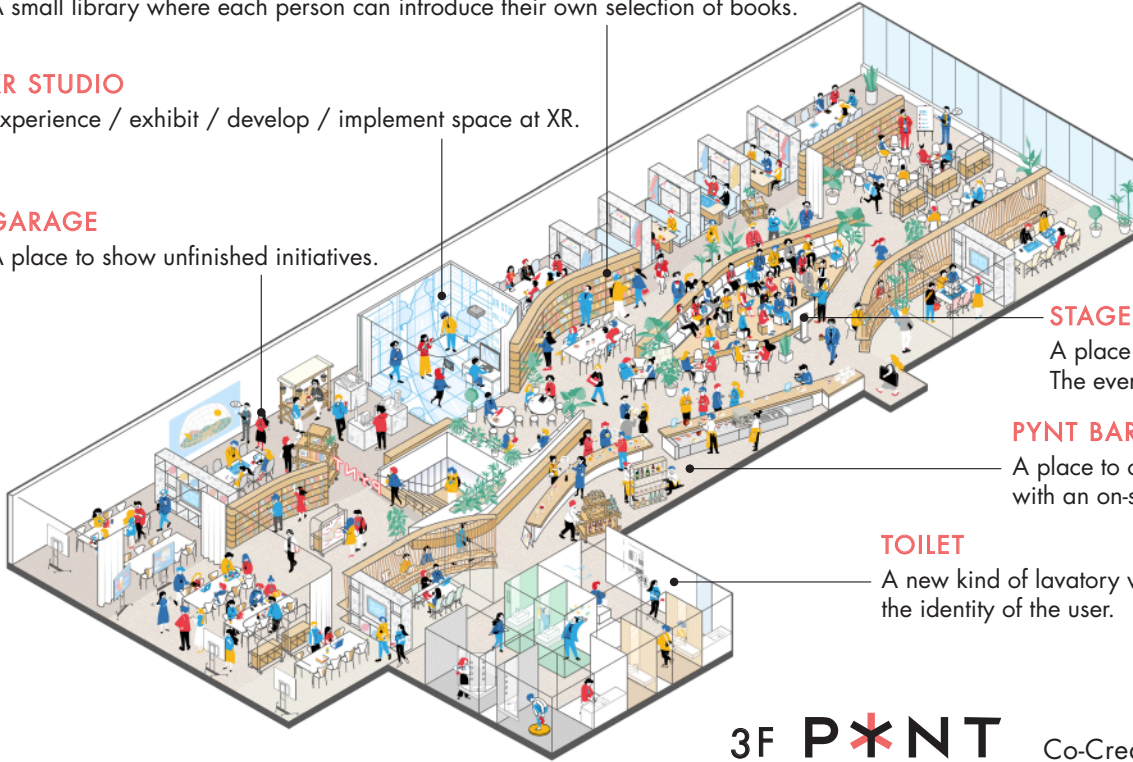

A small library where each person can introduce their own selection of books.

XR STUDIO

Experience / exhibit / develop / implement space at XR.

GARAGE

A place to show unfinished initiatives.

STAGE

A place to make presentations easily.
The event schedule is posted on the web.

PYNT BAR

A place to connect people and ideas,
with an on-site community team, and a café.

TOILET

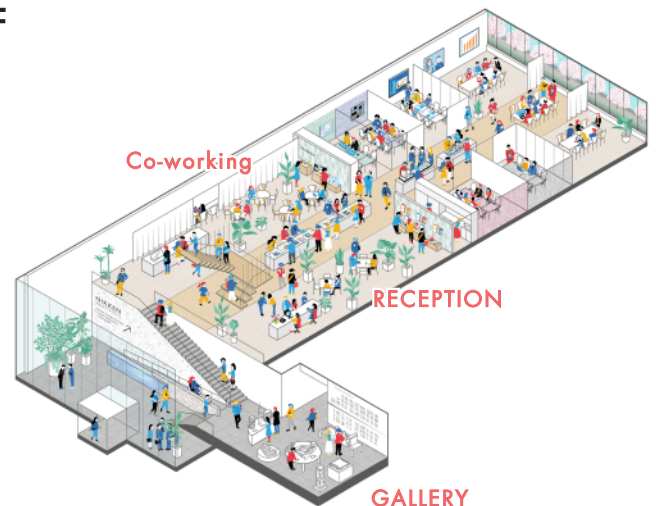

A new kind of lavatory with a focus on "use" rather than
the identity of the user.

3F P*NT Co-Creation & Event Spaces

A members-only floor that serves as an open platform for
workshops, events, exhibitions, and experiments.

Gallery & Meeting Spaces 1-2F

An open, welcoming floor with a gallery. Various challenges
have been undertaken, including the use of recycled materials.

NIKKEN

2-18-3 Iidabashi, Chiyoda-ku, Tokyo

We've opened our new "Co-Creation & Event Spaces" !!

Nikken Sekkei Tokyo Office has opened a place for "Co-Creation" on the 1-3F.
A place of experimentation, wherein it continues to be updated to open up to
society and raise resolution for the future.
